About us

Web Packaging Solutions, LLC, is a hybrid packaging solution provider to the flexible packaging industry with more than 30 Plus years of experience. Our global presence, with offices in the United States, China, India, and Korea, allows us to deliver world-class flexible packaging products and services to customers in North America. The values we bring to our customers are market updates based on our decades-long experience, knowledge, and the ability to offer various products delivered to the customer's doorstep from the latest state-of-the-art plant at competitive prices and reliable, dedicated customer service. The success of our satisfied customers defines our success.

Pure Freshness Crafted Through Superior Standards

From growers to households, our commitment lies in maintaining the freshness and safety of your produce during distribution and retail, aiming to minimize food waste and lessen environmental impact. Our designs are optimized to achieve material efficiency, weight reduction, and cost-effectiveness, while ensuring top performance, durability, and compatibility. Got a packaging idea? Work with us from the early design phase and rapid prototyping to create custom punnets tailored to your exact specifications.

- ✓ Exceptional clarity and effective sealing
- ✓ Manufactured using certified recycled materials
- ✓ Adheres to global design standards
- ✓ Regulated Ethylene Emission and Ripening via Ventilation Channels

Ensuring the Safety of Your Produce

Ensuring the Safety of Your Consumers

- ✓ Completely airtight and secure
- ✓ Completely recyclable
- ✓ Resistant to tampering
- ✓ Eliminates the need for extra security features
- ✓ Crystal clear and stackable
